
Dear alumni, students, colleagues and friends,

P R Krishnaswamy Memorial Medal and Prize

We are deeply saddened by the sudden demise of Professor P R Krishnaswamy, a dear colleague, great friend, inspiring teacher and mentor on 11 December 2008.

The late Professor Krishnaswamy joined the Department on 1st August 1982. He has contributed more than 26 years of quality service to educational activities and the growth of the Department, and did so till the last minute. He has taught many core chemical engineering modules, especially in the area of process control in the undergraduate curriculum. He also initiated and contributed to the growth of process control research in the Department. He chaired the Postgraduate Committee during a period when the Department underwent rapid transformation to become research-intensive. He led the charge with aggressive publicity and pioneered the work on the formalization of the coursework requirements and qualifying exams for the Ph.D students.

Coming to terms with the loss of Prof Krishna has been very difficult. To honor his memory, the Department of Chemical and Biomolecular Engineering at National University of Singapore has established a fund in Prof Krishna's name - "**P R Krishnaswamy Memorial Medal and Prize**". In view of Prof Krishna's area of expertise in process dynamics and control, this fund was established to award a student who has obtained the highest aggregate marks in a core module on process dynamics and control in the B.Eng. (Chemical Engineering) programme.

We hope that you will help us remember Prof Krishna and his work with a gift to this fund. Our target is to raise \$15,000. Singapore tax residents will receive a tax deduction at the prevailing tax rate. Please refer to <http://giving.nus.edu.sg/learn/what-are-the-benefits-of-giving/#tax-benefits> for more information.

Professor Krishna's death has been a huge loss for all of us, but we hope to keep his memory alive through this memorial fund. With your generous contribution, we are certain that we can reach our goal.

Please share this mail with others you feel may be interested in contributing. Please feel free to contact me or Nancy Chia (cheers@nus.edu.sg, Tel: 6516-3358) if you have any questions.

Sincerely,
Jim Yang LEE
Professor and Head
Department of Chemical and Biomolecular Engineering

Gift Form

Please send
By mail:

Attn: Nancy Chia
Department of Chemical and
Biomolecular Engineering
National University of Singapore
E5 #02-11, 4 Engineering Drive 4,
Singapore 117576

By fax:

(65) 6779 1936

By email:

cheers@nus.edu.sg

For assistance, please call 6516 3358

Your gift will attract a 1:1 government matching grant and you will receive a tax deduction

OUR GIFT

I/We would like to make:

An annual/monthly* gift of \$ _____ for _____ years/months* A one-time gift of \$ _____

*Please delete where appropriate

To: **P R KRISHNASWAMY MEMORIAL MEDAL AND PRIZE (N-003-000-989-572)**

PAYMENT METHOD

I/We enclose a cheque [No.: _____] crossed and in favour of "National University of Singapore"

Please charge to credit card / debit card: Visa / MasterCard / American Express

Card No.: _____

Expiry Date: _____ (MMYY)

OUR PARTICULARS

FOR INDIVIDUAL DONOR:

Name (Dr / Mr / Ms): _____
(Family Name) (Given Name)

Mobile Tel: _____ Home Tel: _____ Office Tel: _____

Mailing Address: _____

Email: _____ NRIC No./FIN: _____
 (for auto-inclusion of gift in your IRAS tax assessment)

FOR CORPORATE DONOR:

Name of Company: _____

Unique Entity Number (UEN): _____

Name of Contact Person (Dr / Mr / Ms): _____
(Family Name) (Given Name)

Designation: _____

Office Tel: _____ Mobile Tel: _____

Mailing Address: _____

Email: _____
